

Exhibitor Manual
China Kids Expo 2020

Notice

I. Basic Notice

1. This service manual only provides basic information on exhibition-related services. Please log in the Organizer's exhibitor management system: <http://cke-fairsystem.tjpa-china.org/> for downloading or submitting detailed information of various documents. Contact CTJPA to get your id.
2. Please improve your company's basic information firstly and then fill all the forms at system.
3. This is a professional business fair. No visitors under 16 will be admitted.
4. The move out time is 4:00pm October 23, please arrange your ticket appropriately.

II. Notice for Construction and Shipment

5. The height of the raw space at this year's exhibition is limited to 5 meters. No double-deck booth structure is allowed. Thank you for your cooperation. If the height of the booth exceeds 4.4 meters, a fee is required for drawings review and approval. Please contact Shanghai HAH Consulting & Exhibition Co., Ltd. for drawings review and approval. See page 5 for contact information.
6. Raw space constructor must buy fair booth insurance.
7. Construction deposit is the constraint of the constructor behaviors. It should be borne by constructor, not exhibitor. Exhibitors are requested not to pay in advance to avoid unnecessary losses.
8. The fair safety, fire control regulations and booth construction requirements must be strictly implemented in the exhibition. The congress has right to deduct the construction deposit that violate the regulations.
9. In order to guarantee the food safety, please don't order food outside. Exhibitors can eat in the restaurant which the organizer cooperated.
10. Exhibitors should choose a freight forwarding company designated by the Organizer. Otherwise, the exhibitor should be responsible for any disputes arising from the use of non-designated logistics companies.

III. Notice at Fair Site

11. During the exhibition, please take care of your valuables and help the security guard to take necessary anti-theft measures.
12. No eating and smoking in the booth.
13. During the exhibition period, it is prohibited to use any form of external sound broadcasting equipment in the pavilion, including but not limited to stereos, megaphones, loudspeakers and trumpets. The sound volume of all booths must be controlled under 70 decibels.
14. The organizer attaches great importance to the protection of intellectual property rights. Intellectual property protection office will be set up during the exhibition site. If you have related questions, please contact the office

October 23 17:00 -- 23:00

6. Exhibition Hall Layout

7. Transportation

Shanghai New International Expo Centre (SNIEC) is located in Pudong New Area of Shanghai and easily accessible using many means of transport. The public traffic interchange named “Longyang Road Station” for buses, metro lines and maglev, stands around 600 meters apart from SNIEC. It takes about 10 minutes to walk from the “Longyang Road Station” to the fairground. In addition, Metro Line 7 is direct to SNIEC at Hua Mu Road Station whose exit 2 is close to Hall W5 of SNIEC.

1) By metro

a. From Pudong International Airport

Take Line 2 and get off at Longyang Rd. (Exit 6) Walk 780 meters. Round 1 hour and 6 minutes.

b. From Hongqiao International Airport

Take Line 2 and get off at Longyang Rd. (Exit 6) Walk 780 meters. Round 1 hour and 10

minutes.

c. From Shanghai Hongqiao Railway Station

Take Line 2 and get off at Longyang Rd. (Exit 6) Walk 780 meters. Round 1 hour and 4 minutes

2) By Taxi

a. Pudong International Airport

The Shanghai Pudong International Airport is located on the south coast at the mouth of the Yangtze River, is 45km east of the city.

A taxi from the airport to the Bund will take up to one hour and cost around US\$30, while a shuttle bus is \$10. A magnetic levitation train will whisk passengers into the city in 20 minutes.

b. Hongqiao International Airport

The existing Hongqiao International Airport, though slightly aged, works quite well and is easily accessed from the central business district where many airlines have offices. It's 15km west of the city.

From here a taxi is \$15 and a public bus as little as \$1.

3) City Transportation

a. City Buses

Public buses in Shanghai are the most convenient and inexpensive way to loop the city. Almost more than 1,100 bus lines here to help you to go to every corner of the city.

Buses 1 to 199 run from 5:00am to 11:00pm. Fares range from 1 yuan to 3 yuan depending on the length of the routes or the bus conditions.

b. Subway

There are 11 subway lines in Shanghai. The ticket costs from 3 yuan to 6 yuan depending on the distance. Subway Line 1 and 2 link many famous attractions in Shanghai.

c. Ferries

In Shanghai, there are more than 20 ferry lines link Pudong and Puxi Areas. It costs 1 yuan per person, 1.3 yuan per bike and 2 yuan per motorcycle.

d. Taxis

Taxis are the most convenient transportation in the city. The charges are different from time. From 5:00-22:59, charges are 12 yuan for the first 3 kilometers and 2.4 yuan for each additional kilometer. From 23:00 to 4:59, charges are 13 yuan for the first 3 kilometers and 3.1 yuan for each additional kilometers.

VI. Application Form for Raw Space (Dead line September 13, 2020)

1. Height limit-related drawing review

The height of the raw space of this year's exhibition is limited to 5 meters (single-story; double-story structure is not allowed at this year's exhibition). According to the New International Expo Center's regulations, if the booth height is over 4.4 meters, the exhibitor must submit their renderings to Shanghai HAH Consulting & Exhibition Co., Ltd. for review and approval at their own expenses.

Please consult Mr. Zhang Yi of Shanghai HAH Consulting & Exhibition Co., Ltd. for details of drawing review and corresponding expenses.

Tel: 86-21-28906633-802

Fax: 86-21-28906000

E-mail: hah@hahchina.com

Reference Unit Price: RMB25/m²

2. Application for hanging points

If your booth has a suspended structure, please register it in the Organizer's exhibitor management system or declare it to the Official Contractor. During the construction period, the suspended structure shall be assembled and placed directly below the required suspension position. The main venue staff shall notify the Pavilion site staff to verify the locations and quantity of hanging points and calculate the total charge, which shall be paid to the Customer Service Center in the South Entrance Hall of the Pavilion.

Charge standards:

RMB1,800/point; Advertising charge is RMB300/m² for at least 5 m². (The higher total amount shall prevail)

RMB100/hoist (including deposit), which can be refunded after the hoist has been turned to the warehouse following exhibition removal.

3. Insurance

Constructor should ensure the structural safety and construction safety during booth erection. In order to ensure the effective and proper handling of liability accidents and protect the rights and interests of raw space exhibitors, raw space builders must purchase exhibition liability insurance.

4. Raw Space Declaration Process

The following documents must be submitted for self-built booths

- a. Business license of the builder (valid business license after annual examination)
- b. Raw space Insurance Policy (Required)
- c. Booth renderings, detailed dimensional drawings, material labeling drawings, and

exhibitor's exhibit information

d. Location map of the facilities in the general plan of the Pavilion.

e. The security responsibility document shall be sealed and scanned, and e-mailed back (the exhibitor and the builder shall sign and put their red seals together)

f. If a carpet is used, the B1 grade flame-retardant carpet meeting fire protection requirements must be used, and relevant fire proof documents must be provided.

g. If a raw space connects electricity by itself, it must present the relevant certificate (electrician certificate) of the operator, which shall carry it during work (copy or electronic version)

IV. MARKING

The following marking must be painted on two opposite sides of each case

CHINA KIDS EXPO 2020

EXHIBITOR:

STAND NO.

NET WEIGHT KG

GROSS WEIGHT KG

DIMENSIONS: L x W x H (CMS)

V. INSURANCE

As the official tariff is compiled on volume of weight basis and has no correlation with the value of exhibits, naturally no insurance has been covered in our charges and work is undertaken by us is owner's risk. Therefore exhibitors should arrange a proper round-trip all risk insurance policy for their exhibits. It is advisable to insure the exhibits through a company of which the People's Insurance Company of China is the agent in China. Exhibitors should also bring a copy of the insurance policy to China as it will be required in case we need to file a claim for damage or loss on your behalf.
